ADDITIONAL CONDITIONS:

1. Dangerous Goods (DG) shipments (IMDG, IATA, ADR) are not handled outside warehouse working hours or on weekends.
2. Services are available from 09:00 to 17:00, Monday to Sunday (excluding customs-related services).
3. Forklift and cargo loader bookings must be confirmed at least 48 hours in advance.
4. A double charge applies for handling performed on national or bank holidays, or outside standard working hours.
5. Hourly rates are charged for each started hour.
6. Scrapping of rotatable parts includes a scrap certificate. Reports for chemical or consumable disposal are available upon request.
7. Availability of other services must be confirmed in advance.
8. Storage services are subject to space availability and warehouse confirmation.
9. All prices are listed in EUR and exclude VAT, customs duties, and any third-party charges unless stated otherwise. Prices are indicative and may be updated without prior notice. The latest valid version of this price list is always available on request or at www.jobair.eu.
10. The listed services apply to standard operations under regular working conditions at JOB AIR Technic facilities. Special handling, oversized cargo, or urgent (AOG) support may require prior coordination and individual quotation.
11. JOB AIR Technic a.s. is not liable for indirect or consequential losses, including delays, damage due to improper packing by third parties, or shipment delays caused by carriers or customs.
All customer property stored or handled at JOB AIR Technic facilities remains under the customer's insurance coverage unless otherwise agreed in writing.
12. Services are invoiced according to agreed contractual terms or upon service completion.
Payment is due within 14 days of invoice date unless stated otherwise in the service agreement.
13. All customs procedures, export control compliance, and documentation are the responsibility of the customer. JOB AIR Technic provides assistance only within the scope of agreed services
14. Unless otherwise agreed, stored goods that remain uncollected for more than 30 days after service completion may incur additional charges or be subject to disposal in accordance with company procedures.
15. All scrapping and chemical disposal are performed in accordance with applicable EU environmental regulations. Certificates of disposal or recycling are available upon request.
16. All service requests must be confirmed in writing by warehouse@jobair.cz before execution.
Telephone or verbal instructions must be followed up with a written order or service request form.
